I would so love to meet Victor, but I think it is more important that we get his project on the road, so I think the two of you should just meet, wherever and whenever it makes sense.

Next week: Mon PM (after 12:00 PM); Wed PM (after 2:00 PM); Thur PM (after 12:00 PM); or Fri PM (after 1:00 PM).

If none of those work I'm more free the following week.

Also, my home is in Arcadia. I believe that you are in the Valley. We could meet in Studio City if that works too.

Or, if you'd like to have Miki there, we'll probably have to look at the following week.

Thanks Victor.

Good to hear from you.

RE: Re:

Code is 6015. Thank you for your help.

We may need some help with the council office.

Perhaps we should meet and talk?

When is a good day / time for you?

Vic

Good Morning Victor...

Can you give me the combination to your lock at the Grinder's location so that we can enter to clean up the debris which is attracting new homeless over-nighters?

Thank you.

PS - What's the status of your development proposal? Can we help with the Council Office?

Hi Don. Here is a picture of cardboard left at the Grinder location. The Jiffy Lube manager called me to let me know that people were going over the fence to gain access. Steve
